RECORD OF HARVEST / TERMINATION

INSTRUCTIONS:

- ☐ This record of Harvest / Termination should be completed following harvest or termination of confined field trials and disposition of regulated plant material at a single trial site. It should document the method of harvesting the regulated plant material, the harvest date(s), and the fate of all harvested material and any residual regulated plant material remaining on the trial site
- ☐ A copy of the Record of Harvest / Termination should be forwarded to the Permitted Party within FIFTEEN (15) DAYS of harvest/termination of the trial. The original should be retained by the Trial In-Charge
- ☐ In the event of an Accidental Release of regulated plant material during harvest, termination and/or disposition of the trial, the Permitted Party should be notified immediately by telephone and facsimile. The incident and any corrective action taken should be recorded on a Record of Corrective Action.
